

PARENTAL AUTHORIZATION

I hereby grant permission for _____ to receive instruction in the use of hand and power machinery, the use of laboratory supplies and equipment and participate in approved field/externship assignments at the Upper Cape Cod Regional Technical School.

I understand that:

Safety glasses and proper work attire are required at all times in shops and/or on the job site. Students receive detailed instruction in the safe use of equipment and every possible precaution will be taken by the instructor to insure the correct and safe operation of machinery by the students who use them.

The School Committee does provide the limited protection of a student insurance policy in the event of accident or injury.

We believe that through safe practices the element of danger is reduced to a minimum. Before allowing your child to participate, your approval is necessary. Your signature on this form indicates your consent.

DATE: _____

PARENT OR GUARDIAN

ADDRESS

SIGNATURE OF STUDENT

A signature of the parent or guardian on this form does not mean that a pupil may use a machine any time he/she wishes. Permission from the instructor in charge must be obtained in each specific instance, and the use of required safety equipment is mandatory. Violation of this rule is a serious offense and will be treated as such.
