## SUPERINTENDENT REPORT

*October 1, 2009*

- SEPTEMBER 9      BOURNE FINANCIAL DEVELOPMENT COMMITTEE MEETING
- H1N1 CONFERENCE CALL – BOURNE SCHOOL  
ADMINISTRATION BUILDING  
School Nurse Lisa Schmitt and I met with Bourne Health  
Department and Bourne School officials from 3pm-5:30pm.  
We listened and participated with the State Department of Public  
Health around this important topic of concern to our school. At this  
time we are awaiting word on the arrival of the vaccines. I have  
sent a letter to parents with a survey on their preferences for  
vaccination. Before any vaccinations take place the committee will  
be involved in the process. According to Massachusetts DPH  
anyone administering the H1N1 vaccine is indemnified by federal  
and state law.
- SEPTEMBER 13    UCT FAMILY FUN DAY  
The sun came out and so did the volunteers. The only ingredient

to those that helped to plan and implement this event and for those  
that did attend.
