This section represents an opportunity for you to provide additional information that will allow us to become acquainted with you in ways different from the objective data collected in your application file. Feel free to use the space provided below or attach additional pages as necessary to respond to one of the following recommended topics:

- Discuss your academic interest and career goals and describe your view of how Bridgewater State College can facilitate your success.
- Describe an achievement or award, a significant experience, or a difficult challenge you feel has been an important demonstration of personal accomplishment.

---

I understand that information about applicants that is furnished to Bridgewater State College will be kept confidential and will only be released to public higher education system personnel authorized by the Massachusetts Board of Higher Education to receive the information, or to educational agencies and institutions for research study purposes. I hereby certify that the information furnished on this application form is complete and accurate. Academic misrepresentation could result in forfeiture of monies, transfer credit or offer of admission.
