The College Board prefers that students register online. Make sure you sign up for the **SAT Reasoning Test**. The test costs \$49. Students who register late must pay additional fees. You will need a credit card (Visa, MasterCard, Discover, or American Express) to complete your online registration. If you are unable to access the Internet, please see your school counselor for assistance. Students who feel they are eligible for a fee waiver (typically students who qualify for free or reduced lunch) should also see his or her counselor.

Taking the SAT Reasoning Test is very important for all students who are considering applying to colleges. Most 4-year colleges as well as some 2-year colleges and technical schools require the SAT. Students can take the SATs as many times as needed. Colleges generally take the best scores on each section, regardless of when the test was taken.

Some students should consider taking **SAT Subject Tests**. Many selective colleges require these tests in addition to the SAT Reasoning Test as part of the admissions process. You may wish to discuss this with your guidance counselor. SAT Subject Tests cannot be taken on the same day as the Reasoning Test.

The College Board offers practice questions on their website. Also, check out [www.uppercapetech.com](http://www.uppercapetech.com) under Guidance Services for additional test preparation sites.

**AS ALWAYS, PLEASE SEE YOUR GUIDANCE COUNSELOR WITH QUESTIONS!**
